Electricl Specification

|                     |   |                             |
|---------------------|---|-----------------------------|
| Part No             | : | AT-ANT-LTE-ENH-SMA260-3.5   |
| Antenna Type        | : | OMNI                        |
| Operating Frequency | : | 703 / 803 / 1406 / 1606 MHz |
| Gain (±0.5dBi)      | : | 3.5 dBi                     |
| Impedance           | : | 50 Ohm                      |
| Polarization        | : | Vertical                    |
| RF Connector        | : | SMA                         |
| Connector Type      | : | Male                        |

Mechanical Specification

|                       |   |                            |
|-----------------------|---|----------------------------|
| Dimensions            | : | 260 / 210 x Dia 14+/-0.5mm |
| Mount Type            | : | Modem Mount                |
| Operating Temperature | : | -20 to +65(°C)             |
| Enclosure             | : | Abs/Pc                     |
| Environment           | : | 95% RH Humidity            |
| Description           | : | Sleeve Antenna             |

|                                                                                                     |                                                                                       |                        |   |   |
|-----------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|------------------------|---|---|
